“we rise by lifting others”

Greetings of Peace and Joy!

“Every **good** act is **charity**. A man's true wealth hereafter is the **good** that he does in this world to his fellows. **STARBOARD FOUNDATION INC.** is built with a heart of service that focuses in bettering the quality of life of our less fortunate by providing good quality education thru our scholarship programs, an adequate food to eat thru our “barter stores” replacing plastic garbage with food, training and livelihood programs that enables them to be employed and generate revenue for their families. This is a great chance for you to invest in a non-profit that truly practice what it preaches. You can visit our website at [www.starboard2002.com/wecare](http://www.starboard2002.com/wecare) to see more about us.

We can only hope that you will support our mission and help us implement our programs and initiatives. We are knocking on your generous hearts to help us and be our mission partners in this great endeavour the Lord has entrusted unto us. Please share with us your treasures so we can help God's children waiting to be rescued and renewed as well as promoting an “eco – friendly environment that is safe to breathe and live in.

STARBOARD FOUNDATION INC. “Heart of Service” renders the following programs and services:

Scholarship and Educational Programs  
Recycling Hubs (eco – friendly)

Livelihood and Training Programs  
Barter Stores

STARBOARD FOUNDATION INC., was recently established March of 2019, initially started providing quality education and helping our youngsters build their dreams and aspirations through our scholarships and training programs. Our goal is uplift the quality of life and enable them to generate revenue to help provide their families basic needs and to give an opportunity to as many as we can. But we have a limited budget that could accommodate only few. We also have an ongoing construction of a “Barter store” that focuses in providing food for our hungry men in replacement to garbage plastics in which we convert into solid bricks and hollow blocks in our Recycling hub. This will hit two birds in one stone, feeding the needy and at the same time will help in environment clean up. We are very eager in widening our coverage and putting up barter stores and recycling hubs in different areas but our resources are very limited and we urgently need sponsors to finish the construction each hubs and barter stores.

May God in His outmost generosity bless you, your family and your company a hundredfold and grant you eternal happiness

You may reach us at : 09175747243 / 09175860307

With you in Christ,

Manuel “Morpheus” Gorobat Jr.  
Founder

“we rise by lifting others”

## STARBOARD FOUNDATION

Was born and has been official recently last March 4, 2019 (First quarter of 2019) and was registered to Security and Exchange Commission.

Even prior to its official registration Starboard Foundation has been engaged in various charity projects such as scholarship programs, livelihood programs, gift giving, feeding programs and the like

### AND SINCE THEN...

*WE STRIVED TO BE OF SERVICE TO OUR PEOPLE AND TO OTHERS IN EVERY WAY WE CAN*

### HOW WE STARTED

**Starboard Manpower Services Inc.**, is an independent job contractor that is engaged in the business of supplying local manpower to businesses in the country for over 17 years. Being in the industry for a continuing period of time, Starboard's triumph has also been relentless and for that we are grateful and very eager to give back every single blessing and ready to extend our arms to help in the local community's disaster response program thru donation of goods for relief and to fabricate programs that will help the environment and local citizens thru creating the **Starboard Foundation Inc.**

**Starboard Foundation Inc.** was built from the heart that yearns to be of service to people. Initially, it has been the Corporate Social Responsibility of **Starboard Manpower Services Inc.** which aims to give assistance primarily, to less fortunate children to get a chance to finish their studies for the betterment of their future.

## OUR VISION

Starboard foundation is dedicated to be a helping and caring organization that promotes positive action and inspires every individual to create an environment of love, care, respect and cooperation as well as giving people opportunities to achieve his fullest potential and participate in and contribute to all aspects of life.

## OUR MISSION

As a helping organization we are called to love and further our care and service to the less fortunate by:

- ✓ Organizing livelihood projects to enable them to have adequate food and shelter.
- ✓ Developing their skills and capability through various training programs to uplift their competence
- ✓ To raise their standard of life by giving assistance through scholarship programs
- ✓ Encourage them to participate in our environment friendly projects to help maintain a sustainable world for future generations

## BARTER STORE

*“filling in an empty stomach thru plastic garbage”*

A Barter Store is set to launch last quarter of this year 2019. Our objective is to help clean the environment by replacing plastics to food which tends to be harmful and toxic on the environment being non-biodegradable. Plastics can be replaced with rice, bread, groceries, meals, etc. to help feeding our less fortunate and promote a clean and green environment.

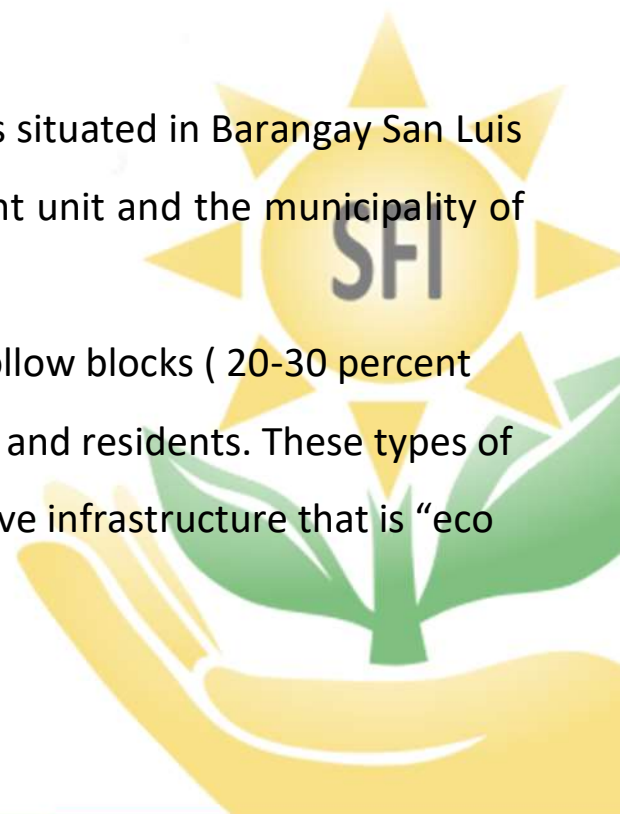

SMSI Foundation aims to widen our assistance and service to people and environment by putting up barter stores in several depressed areas all over the country enabling to feed more hungry lives and at the same time assist on environment clean up on a wider coverage.

## RECYCLING HUB

A Recycling hub is soon to rise in the city of Batangas situated in Barangay San Luis with the generous assistance of the local government unit and the municipality of Barangay San Luis.

On this hub, plastics are converted into bricks and hollow blocks ( 20-30 percent made of plastic) and sold to different establishments and residents. These types of bricks and hollow blocks builds a strong and decorative infrastructure that is “eco friendly”.

## SCHOLARSHIP PROGRAM

Our long term service in providing employment to people in all walks of life thru Starboard Manpower Services Inc. started it all. Even prior to Starboard Foundation's official registration to Security and Exchange Commission, we have been engaged in several charities pertaining to providing good quality education thru different scholarship programs. We believe that the best way to help them uplift their quality of life and provide better job opportunities is by first educating them. Our first batch of charities came from the families of our workers and the victims of Marawi.

Starboard Foundation Inc. covers the tuition, miscellaneous fees like project expenses, uniforms and school supplies and offers employment right after graduating thru Starboard Manpower Services, Inc. and its Clients.

## GRADES

## PROJECT ARAL: SILID ARALAN

- ✓ Camiguin Norte is a poor Island in the Babuyan Islands. No Roads, No Market, No Hospital, No Electricity, No Land Transportation. BUT this does not mean THERE'S no more HOPE.
- ✓ Your donation can go a long way in the construction of classrooms for the Senior High School Department of Lyceum of Camiguin, Babuyan Islands
- ✓ It is an initial step in spending knowledge that the populace needs to better themselves and their island.
- ✓ You can make this happen for the poor school children of Camiguin Norte.

## TRAINING PROGRAMS

We aim to provide different training programs that are community based and employment based. These enables our less fortunate generate income and be able to feed and support their families' basic needs.

- ✓ 30 Day Wig Making Training
- ✓ Food and Beverage Training (F &B)
- ✓ Training for Drivers
- ✓ Feeding Programs
